The instructions in this article relate to the **Figure Link Report**. The icon may be located on your *StrataMax Desktop* or found using the *StrataMax Search*.

The **Figure Link Report** produces a report of the linked account codes from the sub-group to the main group, to ensure that the main group is up to date with all monetary changes. This report shows accounts where the balances are linked. This report must be run from within the main group, and is only available in buildings that have sub-groups.

1. Search or select **Figure Link Report**.
2. Select the report output if required, then click *OK*.
