

Inspections Register

Last Modified on 13/06/2025 4:38 pm AEST

The instructions in this article relate to the **Inspections** register. The icon may be located on your [StrataMax Desktop](#) or found using the [StrataMax Search](#).

The Inspections Register can be used to record details of any inspections for the building/property, e.g.: Workplace Health and Safety or Pest Inspections. This register offers the linking of DocMax Documents for quick reference and reporting. Reports on upcoming inspection Due Dates for individual Buildings or across the full portfolio can be produced from [Search Inspections](#).

The content in this article is applicable to StrataMax version 5.6.131 and below. For [StrataMax version 5.6.132](#) and above, please refer to the more recent [Inspections](#) article.

Creating New Inspection Type
