The instructions in this article relate to **Search BAS**. The icon may be located on your [StrataMax Desktop](#) or found using the [StrataMax Search](#).

Search BAS will assist with querying a BAS for a single building or across your portfolio. Business Activity Statements can be searched by End Date and can be reported on-screen for prior completed periods plus the BAS Reconciliation report can be accessed too. This is where you can access Last BAS and prior BAS. Searches can be saved for continuous use and the information can be exported to Excel.
